

SEVEN HILLS
Cabernet Sauvignon
2011 Seven Hills Vineyard

"Bright ruby-red. Lively aromas of blackcurrant and dark chocolate lifted by a floral topnote; more perfumed on the nose than the young 2012s today. Offers a captivating balance of sweetness and firmness in the mouth, delivering dense but fine-grained flavors of dark berries, violet and rose petal. Really superb fruit here, with a light touch... a very long finish featuring noble tannins and a distinctly savory quality."
