

# SEVEN HILLS

2011 Cabernet Sauvignon

Seven Hills Vineyard, Walla Walla

**92** Wine Spectator

**94** Wine Enthusiast

*"This vineyard designate, showcasing the oldest vines from the oldest vineyard in the Walla Walla Valley, piles on the details of earth, grape and barrel. There's cassis, blackberry and fig in generously layered profusion, along with substantial components of dried herbs, cedar and pipe tobacco. The exceptional complexity, balance and length make this a sure-fire candidate for cellaring until 2024 or more." –Wine Enthusiast*
